Winter Season format

WP based on music by Liquid Tension Experiment, lots of shifting around among instruments, eg drum line starts in front ensemble.

*Truck wouldn't start in the cold, rented a Uhaul, no back up plan so started thinking for the future, winterizing diesel trucks? Briefly looked at block warmers (electric blanket like) to keep engine warm~\$40...**does anyone know about winterizing diesel trucks??**

WG, floor goes in Kelly's or Jennifer's car

Upcoming fundraisers

Panda Express was busy (1/17); Cranelli's for May

Suggestion: Buy tickets to have dinner (spaghetti and drink) and see *preview of a new show*

Band budget

As of 1/11/24, \$15126.43 in bank, \$500 cash, \$68 paypal, \$817 venmo, \$1000+ in accounts receivable made up of \$1100 King Soopers Feb/May, cash from concessions tips, winter showcase that need to be deposited, waiting on Twisted Sugar, Panda Express was yesterday, paid off \$11500 drumline, balance \$5756 remaining, anticipated pay off April 2025 (a year early), Assets: \$17624, est \$655 to pay for state food for WP/WG, \$1k for band gala (that's what we paid last year that was offset by donations), \$875 misc business expenses (renew state registration, domain renewal, wordpress), insurance \$450 due in May, \$9k set aside for uniform savings, \$800 scholarship savings, \$3600 equity to spend as needed, WG asked for \$300 for 4 new sabers

***Questions/Comments:** Set budget for food for state for WG and for WP please

Anyone heading up communication for Guard? Someone should plan food for state given a budget.

Plan to keep old drums? Plan was to sell off, maybe opportunity is better to sell in spring but we are not counting on income from those; using old bass drums for WP (double bass line)
