Mattress fundraiser? Have students fundraise to "buy" a portion of their uniform (someone could donate to "buy" the hat, the gloves, etc). Easter egg fundraiser idea.

## **Marching Band Uniforms**

We would like to purchase new uniforms for Marching Band, our current ones are over 20 years old and are showing wear and are costly to maintain and dry clean.

This will be the main focus of our fundraising this year, it will cost around \$30k to get new uniforms. Aiming to have them for 2025. Company provides a prototype.

Need to fit current uniforms for this next marching band season, Marianne, Natalie and Amy will fit them this summer.
